Academic Services

Academic Advising

The role of the faculty is not only teaching but to provide guidance to students in their overall education at SSCC. The faculty advisor is available to assist students in selecting the correct courses in their choice of programs. Students are encouraged to seek the assistance of the faculty advisor periodically throughout his/her education at SSCC. Some faculty advisors are specialists in advising students who intend to transfer to the four-year institution, while others are

Aspire

Southern State Testing Center

The Testing Center offers testing at both Hillsboro & Mt. Orab campuses. The Testing Center offers a variety

of testing services for students and employees. We provide a quiet, monitored environment that successfully blends the needs of the students with the requirements of the faculty and staff. Be sure to call
