TOPIC	DISCUSSION	ACTION
1. Call to Order	The meeting was called to order by Dr. Josh Montgomery at 9:13 a.m.	
2. Introductions		

count as a grade. Tim said that in some areas certifications are more valuable than a degree. Mike said that he believes the COMP TIA exam should be required for the course.

Dr. Montgomery talked about the mid-term project and the Esports program and told the committee that our program enrollment numbers are up.

Dr. Montgomery talked about the relationship with Connections in Wilmington. Greg talked about the courses being taught in their facility and about their relat
